I was born in the Kozan district of Adana in 1979. I completed my primary and secondary education in Mersin and high school in Ankara (Anatolian Meteorology High School). After graduating from Çukurova University Faculty of Medicine, I completed the residency of Pediatrics at Hacettepe University Faculty of Medicine. After I worked for a while in Şanlıurfa Pediatric Hospital I started Neonology fellowship at Zekai Tahir Burak Women's Health Education and Research Hospital and completed my fellowship in 2012. After fellowship I started to work in Mersin Obstetrics, Gynecology and Pediatrics Hospital. Then, I transferred to Etlik Zubeyde Hanim Women's Health Education and Research Hospital in 2013. On January 27, 2014, I received the title of associate professor. While I had been working as a educational staff in Etlik Zubeyde Hanim Women's Health Education and Research Hospital, I became a faculty member of University of Health Sciences on 04.04.2018, and then I continued to work in our hospital. I received the title of professor on March 12, 2021. I'm married and I have a daughter.
